

The Joshua Project

January 2018

Our Dear Friends

Another year—my goodness! Where does all the time go? Last year was such a busy 12 months and we will be increasing all the more in the year ahead. We are so thankful to the Lord for keeping us so healthy and strong during this time. Jemima continues to work as a Teaching Assistant and her training will finish soon with the possibility of going on to University to train as a teacher then. Isaac is coming towards the end of his homeschooling and is preparing to join Her Majesty's Forces.

Cathy & I are travelling more and more together and this will increase as the children establish their own routines.

Thank you for your continued prayer and thank you to those of you who support us financially. We hold onto the Promises of God continually remembering this: 'The One who calls you is faithful, and He will do it!' (1Thess.5:24) God bless you all and thank you for being obedient to His prompting.

Kingsley & Cathy

Highlights from 2017 in pictures

2017 was special in the memory department. We were invited back to Enniskillen Methodist where Kingsley grew up to speak at the Holy Week Services during their 150th Anniversary.

Also in Co. Fermanagh, Tempo coffee Bar had their 40th Anniversary and Kingsley was invited to speak. It was fantastic to catch up with friends not seen in 40 years.

Then it was our 50th Jubilee year in IGO at Swanwick, so 2017 was a real year of remembrance and celebration.

We went back to Cliff College where we met over 30 years ago. We revisited Ethiopia, Ghana and Guatemala

We preached in many parts of the USA, and Ireland, both North & South.

Jemima & Isaac sometimes ministered alongside us.

We went to Romania in Eastern Europe and Toulouse in France. We went to Jaigaon in India and had conferences in Northallerton, Cornwall and Swanwick.

We so enjoyed the Land of Israel and are leading a trip back there in July 2019.

And so here we are!

Another year ahead. Overleaf you can read our itinerary up until April 2018. We are still negotiating several trips. So far we are going to the USA several times including 2 Mission Conferences. We will be leading our 15th Pastors/Leaders Conference in Addis Ababa; revisiting Jaigaon in India to dedicate the new IGO Bible Chapel; going with Pastor Andy Paget for a week with Pastor Solomon in Abidjan, Ivory Coast.

We will be in Ireland several times and across the rest of the UK. We are going to Romania twice, once to hold a conference in Brasov and possibly another in Moldova.

We will be back in Israel in July and revisiting Guernsey after many years. There are then a few other places in the pipeline that we will talk about in a future magazine.

Please continue to pray for us—we sure need it. God is the Source of our Supply and we are taking our needs to Him. The flights multiply and the Hotels stack up. The Conference delegates needs have to be covered and we keep saying yes. BUT GOD IS ABLE and we continually remind him of his Word, that if we seek His Kingdom..... Everything will be taken care of. So, God bless you and thank you for praying.
