SESSION 4

This session was a theme for me in 2007, especially after visiting my parent's graveyard and feeling that the Lord was speaking to me there.

As I walked around the headstones I read the inscriptions written on them. 'safe in the arms of Jesus', 'at rest'

Hebrews 11:39 – 12:1 ...cloud of witnesses

I felt that God was saying to me, "This life is not about you!"
