

OVER  
TO YOU

Psalm 23:5 You anoint my head with oil;  
Zechariah 4:6 Not by might but by my Spirit  
Isaiah 10:27 The anointing breaks the yoke

⇒ **The anointing of David** 1 Samuel 16

There is no mention of David until the end  
This chapter is not about David, it is about Jesse  
Verse 3 'Invite Jesse, not to a celebration, but to a sacrifice'  
Height, strength, appearance – not important  
The Lord looks at the heart.

(Eliab = to whom God is father; Abinadab = father of nobleness;  
Shammah = The Lord is present; David = Beloved)

Verse 11 Is this everything? There is still the youngest

Stop! We will not sit down till he arrives;  
= **STOP – NO OIL – UNTIL HE ARRIVES**

Verse 13 From that time on, the Spirit came upon David in power.

We need the anointing of God on our programming.  
Why? There is a Goliath waiting
